Practice Test 1 - Writing Task 1: Writing an Email

Time remaining: 26 minutes

NEXT

Read the following information.

Last weekend you attended the Canada Day community picnic. The event was a potluck, so everyone brought a dish of food to share. Some people, including you, have allergies or can't eat some types of food, such as nuts and seafood, so you included a list of ingredients with your dish. No one else did this.

Click here to view sample responses.

Write an email to the community picnic organizer in about 150-200 words. Your email should do the following things:

- Express your overall enjoyment of last week's event.
- Explain why each potluck dish needs a list of ingredients.
- Describe how the potluck could be differently organized next year.
